

As our customer, you're part of our community-that's why we wanted to reach out. This is an unprecedented time for all of us and the safety of our employees and customers are our top priority. As the Coronavirus (COVID-19) begins to have a greater impact on our community, we wanted to share with you the steps we are taking as a part of your community to keep you safe and healthy.

Like many others, we are following closely the guidelines from the Centers for Disease Control and Prevention (CDC) as well as the local U.S. health authorities. M&R will remain open, we are recommending that all our employees take additional precautionary health measures, including frequent hand washing, social distancing, and staying home when feeling sick. We also have comprehensive cleaning and sanitizing protocols in place.

While these are uncertain times, we want you to know that we are here for you. As this time M&R will remain open to serve our customers and our community.

Thank you for continuing to be a loyal customer.
